

Chandelier Glass Installation Instructions

A13

Caution: Do not exceed maximum wattage noted on fixture. Use only recommended bulbs with fixture.

To Install Glass

1. Remove plastic retaining ring (A) and glass spacer (B) from the socket assembly (D).
2. Place decorative glass (C) over socket assembly.
3. Carefully place clear glass spacer (B) over socket assembly inside of decorative glass. Do not drop spacer into place—doing so will likely break the glass.
4. Replace retaining ring (A) and tighten to secure glass. Do not over-tighten.

If you need further assistance, or find that you are missing any parts, please contact the dealer from which you purchased this product. We hope you enjoy your fixture!
