

# Glass Installation Instructions

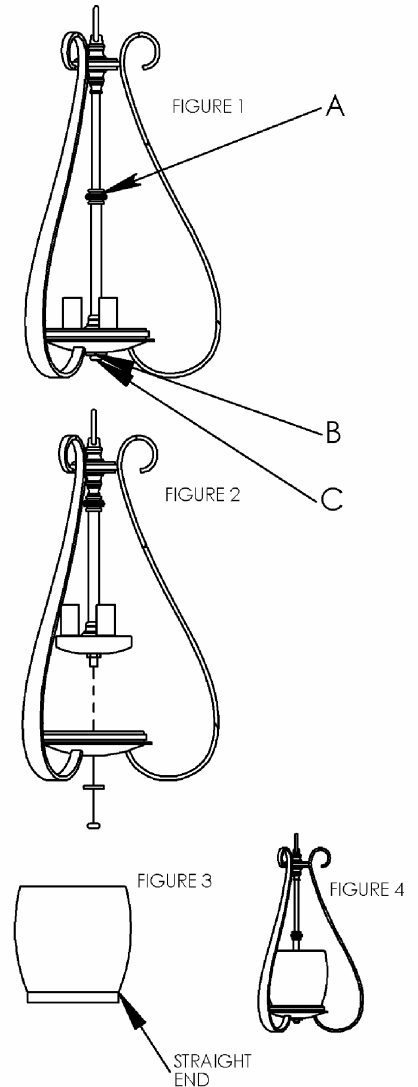

A32

## For Chandeliers with Center Glass

**Caution: Do not exceed maximum wattage noted on fixture. Use only recommended bulbs with fixture.**

### To Install Glass

1. Refer to Figure 1 and remove threaded cap (C) and check ring (B) from bottom of fixture.
2. Carefully slide candle assembly up stem, guiding the cord up through fixture loop (Figure 2).
3. Insert glass into fixture by tipping it and moving it up around candle cluster then setting it down into the bottom of the fixture. Make sure straight end of glass is oriented down (Figure 3).
4. Gently lower candle cluster back down into glass, guiding the cord back through the fixture loop.
5. Secure candle cluster by replacing check ring and threaded cap.

*If you need further assistance, or find that you are missing any parts, please contact the dealer from which you purchased this product. We hope you enjoy your fixture!*
